

Arm Rest Cap for Eco Seats

Stirling Dynamics is offering a new Arm Rest Cap solution as part of its range of 3D printed seat parts e.g. for ZIM EC15054F1113XXX seats.

This Arm Rest Cap improves upon the original part with greater durability and build quality. Our reinforced design will avoid future breakage after installation.

Specification

- Item: ARM REST CAP
- P/N: 318129ARM001-01 (EPA)
- Description: Improved part – reinforced
Logo branding available
- Seats: ZIM EC15054F1113XXX
- Replaces: FOIL- FRONT CAP
P/N: 5054210019200BB
Supplier code: 7216
- Colour: White
- Weight: 24 grams
- Conformity: JAR/FAR 25.853
- Approval: EASA Form 1
- Lead time: 5 weeks

Original arm rest caps

Arm Rest Cap features improved build quality and durability
